The screenshot shows the IBM Cognos Analytics with Watson interface. The top navigation bar includes the IBM logo, the text 'IBM Cognos Analytics with Watson', a 'Learn More' button, a search bar, and user profile icons. The main workspace is divided into a left sidebar and a central area. The sidebar, titled 'Data module', contains a search bar and a list of items: 'New data module', 'Navigation paths', and 'mock_kaggle.csv' (which is selected and highlighted with a blue border). Below 'mock_kaggle.csv' are several sub-items: '# Row Id', 'data', 'venda', 'estoque', and 'preco'. The central area displays a table with 10 rows of data. The table has columns for 'Row Id', 'data', 'venda', 'estoque', and 'preco'. The data is as follows:

Row Id	data	venda	estoque	preco
